

Referral Program

At MedSupply Partners, our customers are our best advertising. We would like to offer you a special gift for referring people to MedSupply Partners.

Here's how it works. Every time you refer someone to MedSupply or provide MedSupply with the name of a referral, you are notated on that referral. They can be in any part of the country, doing any type of work. When that person orders \$500 or more, we send you a **\$50 American Express gift certificate**. It's that easy.

Thing to keep in mind:

- 1) When the referral calls us, be sure they mention your name.
- 2) The \$50 gift is only paid once per account. If you have multiple contacts within one company or lab that order independently, call us for details at 877-633-7779.
- 3) You can supply us with the referral information on the back of this form and fax it directly to us.
